

# “Closets For Capo”

Do you have clothes, shoes, backpacks, and handbags that you no longer use and are taking up closet space?

Wouldn't it be great if you could donate them and raise money to benefit CUSD students at the same time?

Well, you can!

A pick-up date is scheduled for April 29, 2010 with a company that pays for used clothing.

Start saving your items now !

Place all donations in black trash bags and bring them to the donation box at school.

It's a great opportunity to earn service hours too! One parent and her daughters have already donated over 15 bags full of items! Garage sale leftovers, neighbors, and friends were helpful in their efforts

A portion of proceeds will help CUSD families in need by providing them with Walmart and grocery gift cards. The rest will go into our general fund to benefit all schools
