

Dear music teacher,

Effective immediately, the Capistrano Unified School District will no longer be posting lists of music stores or private music teachers on its website. Budget cuts have eliminated the personnel required to manage and maintain these lists.

The CARE Foundation will offer this list on our website for a fee. When people go to the district website for the information, they will be directed via hyperlink, to our website, where the information will be posted.

We offer two options for music Teachers.

Option 1: listing your instrument specialty, name, phone number, and geographic area for a fee of \$25 for the 09/10 school year.

Option 2: listing your instrument specialty, name, phone number, geographic area, and hyperlink to your website or email for a fee of \$50 for the 09/10 school year.

Also, if you would like to advertise your business in our Flyer Booklet which is sent home with over 22,000 elementary students, go to our website and click on “Programs” for information.

The CARE Foundation is the only non-profit foundation that raises money for all 56 schools and over 51,000 students in the Capistrano Unified School District. The CARE Foundation supports educational enhancements to art and music, as well as literacy, technology, science, and athletics.

Each year, the CARE Foundation sponsors the Honors Concert Series and the “Koncerts for Kids” program. As educational programs continue to suffer more and more cuts, we strive to support these vital enhancements to our children’s education.
